18 MISC. NO. 26-00199

20 GOVERNMENT'S RESPONSE TO
21 MOVANT'S MOTION TO UNSEAL
22 SEARCH WARRANT PROCEEDINGS

23 The United States, by and through its counsel, hereby responds to the Movant's
24 Motion to Unseal Search Warrant Proceedings. The government has identified the
25 following warrants: 24-mj-1, -2, -4, -6, -9 through -16, -29, -30, -64, and -65. The
26 government has not been able to identify the following warrants included in the Movant's
27 Motion to Unseal: 24-mj-7, -8, -21, -23, -33, -38, -45, -50, -51, -52, and -63. The
28 government does not object to the unsealing of the warrants, docket entries, and associated
non-affidavit materials for the warrants the government has identified as listed above.
However, the search warrant attachments contain Personally Identifiable Information
("PII") that needs to be redacted prior to public disclosure. If the court unseals the search
warrants, the government requests 30 days to submit redacted versions of the warrants for
disclosure.

It is the government's understanding that Criminal Local Rules 5.2 (a)(1) and 79.2
requires the unsealing of the warrant, docket entries, and associated non-affidavit materials,

1 but the rules do not require the unsealing of the underlying affidavits submitted in support
2 of the warrant applications. To the extent the Court intends for the supporting affidavits to
3 be unsealed or otherwise disclosed, the government respectfully requests additional time
4 to review those affidavits to determine whether redactions are necessary to protect sensitive
5 information, or the privacy and safety of individuals.

6
7 Respectfully submitted this 14th day of July, 2026.
